If you have found the course you need and believe that it meets these requirements, then please contact your national agency. They will advise you about the application and selection procedures that apply in your country.

Smoking in Homestays

Many British hosts object to smoking in their house particularly if they have children. It is therefore becoming increasingly difficult to place students who smoke in Homestays. If you are happy to smoke outside your host's home please indicate this on your Enrolment Form.

Pets

Many British Homestays have pets such as a cat or a dog. It may be difficult for our Accommodation Officers to find a Homestay without pets so please complete this section of the Enrolment Form ONLY if you have a strong dislike or allergy to animals (either cats or dogs).

Special requests

We will do our very best to deal with your special requests but are not able to guarantee this. It takes more time to deal with special requests so please send your booking as early as possible to avoid disappointment.

Arrival Information

- Homestay accommodation: you must telephone, fax or write to your host with your arrival time. If you do not do this then your Host may not be at home to welcome you

Changes and cancellations - Please see page 2 for terms and conditions.
