10 REASONS TO
CHOOSE IH LONDON

Improving their English, experiencing another culture and making a network of global friends is a huge step towards your child’s bright future.

Here are a few reasons to trust us to inspire and teach your child.

1. We are finalists at The PIEoneer Awards 2019 for our Young Learner Centres. These are prestigious awards that consider all English language schools. We are shortlisted for the Secondary Learning International Impact Award. (At time of going to print the winner hadn’t been announced, so we may have won too!)

2. Our Young Learner Centres are accredited by The British Council: the UK’s international organisation for cultural relations and educational opportunities.

3. International House London is an educational trust and we reinvest profits to improve your child’s learning experience.

4. Our prices include all tuition and class materials, all activities for the course, full and half day trips to exciting destinations, on-site residential accommodation, all meals, 24/7 supervision by our qualified and experienced team, free Wi-Fi and comprehensive insurance.

5. We have a 1:5 staff to student ratio for 8-11 year olds and a 1:8 staff to student ratio for 12-17 year olds.

6. There are six locations across the UK for you to choose from. We use the excellent facilities at each of the colleges to run our own young learner courses with our own IH London Young Learner team.

7. We have 10 young learner courses to choose from, for a range of ages and for a range of interests. Your child will find something that sparks their interest.

8. Our student welfare and care of under 18s stands us apart. All senior staff have student safeguarding and student welfare training every year, in addition to their own professional development.

9. Our Head of Young Learners is Jamie Simpson, who has 15 years’ experience working with young learners. Every young learner centre has four experienced senior managers on site to ensure your child’s safety and wellbeing: Young Learner Centre Manager, Director of Studies, Student Welfare Manager and an Activity Manager.

10. We have been teaching for over 65 years. IH London predates the now global brand IH World, which is a partner network for 160 top schools worldwide.

STUDENT CARE AND WELFARE

We use the excellent facilities at the colleges to run our own IH London young learner courses with our own dedicated IH London Young Learner teams.

We have a 1:5 staff to student ratio for 8-11 year olds and a 1:8 staff to student ratio for 12-17 year olds.

Every IH London young learner school has four senior managers:

› Centre Manager, who oversees all aspects of the school
› Director of Studies, who is responsible for the quality of the programmes and teacher development
› Student Welfare Manager, who ensures the students are having a great time
› Activity Manager, who runs the learning and social trips and activities.

All senior staff have student welfare training every year.

My aim is that every child leaves with an amazing experience – improving their English, experiencing British culture, and with new friends from all over the world.

Jamie, Head of Young Learners

Our Head of Young Learners is Jamie Simpson, who has 15 years’ experience working with young learners and has held senior positions in other top language schools.

Our Head of Young Learners personally visits every young learner centre to review facilities and teaching, ensuring every child, at every one of our young learner schools, has the best experience.

Our Young Learner Centres are accredited by The British Council.

Health and safety
We operate a rigorous Health and Safety policy. Staff are all DBS (Disclosure and Barring Service) checked and undergo a period of training and orientation prior to students arriving at the school. All the relevant student-teacher ratios are adhered to, as set out by the Children’s Act and relevant governing bodies of language travel courses, such as English UK.

Airport transfers
If you have booked a shared airport transfer, students will be met by a member of our Young Learners Programme staff and accompanied to the school. Shared transfers are available from 10:00 until 19:00 from: London Heathrow and Manchester International Airport, and for Edinburgh, from Edinburgh International. For arrivals outside of these times or to other airports, clients can make their own way to the school or book a private transfer.

Clients are welcome to choose between a shared or private transfer during the hours of 10:00 and 19:00, but private transfers will be charged at the full private transfer rate. This includes a member of the school staff meeting the student at the airport and checking in the student at the airport upon departure.

Unaccompanied minors are charged an additional £60 one-way due to the additional staff resources needed to provide this service.

All travel details must be finalised and communicated to us at least 28 days before the start of the programme. Within 28 days we may have to arrange a private transfer, in which case the fee difference will be due before the course commences.

While every effort will be made to contact parents or guardians regarding serious breaches of school rules, the centre manager may at his/her discretion impose sanctions, including suspension and expulsion. We reserve the right to dismiss any student whose standard of conduct is unsatisfactory. We do not refund fees in cases of expulsion and all costs incurred as a result must be paid for by the student.

All students are liable for loss or damage to school property for which they are responsible. A £50 cash deposit will be taken from all students upon arrival and returned at the end of the programme, providing no damage has been incurred.
