**Programme times**

**10.00-11.00 or 16.00-17.00** BST

## Meet the animals

### What is it?

The Meet the Animals sessions will offer students the chance to meet a number of different animals live in the class! You might meet reptiles one day, monkeys or meerkats the next! Learn about what these groups are, where they live, what they eat and how to take care of them.

### Who is this for?

Anyone who has an interest in animals of all kinds and wants to see them live on their device.

### What will each session involve?

- Introduction to the animals in that session
- Meet them close up and personal on screen
- Learn about where they live, what they eat and how to take care of them
- A Q&A session for you to ask any questions at the end

### What to bring?

Just your enthusiasm and a pen and paper to take notes.

## Exercise with English

### What is it?

Sessions will vary from practical sessions keeping you fit at home to talks on sports nutrition and psychology.

### Who is this for?

Anyone who wants to keep fit or has an interest in sport as a hobby or a future career.

### What will each session involve?

Practical sessions:

- Warm up
- Fun Fitness work out
- Warm down
- Stretching

Theory sessions:

- Introduction to the topic (nutrition, sports psychology for example)
- Key topic concepts
- Group work
- Feedback

### What to bring?

For practical sessions bring comfortable sports clothing, a towel and water. For theory sessions bring a pen and paper.

## Karaoke

### What is it?

An opportunity to practice your English by singing your favourite songs online with your new friends!

### Who is this for?

Anyone who loves to sing and wants to give it a try.

### What will each session involve?

- Introduction to the group
- Pick your song (alone or in a group)
- Sing your heart out to your favourite tune!

### What to bring?

You don't need to bring anything apart from your singing voice and enthusiasm.

All activities are offered subject to availability and may change based on class size.

## Basic Coding

### What is it?

Each session will outline basic techniques as well as software used for coding.

### Who is this for?

Anyone who wants to learn about coding and develop skills for building websites and online platforms.

### What will each session involve?

- Introduction to software and how to use it
- Basic coding examples
- Coding task
- Feedback

### What to bring?

Just bring your laptop and any other requirements will be confirmed before the session.

## Great British Quiz

### What is it?

A fun general knowledge quiz featuring interesting and engaging topics including British history and culture.

### Who is this for?

Anyone who likes to test their general knowledge and practice their English.

### What will each session involve?

- Students split into groups
- Fun topics for each round

### What to bring?

Pen and paper as well as your general knowledge!  
No cheating!

## Art Attack

### What is it?

Each Art session will be different allowing students the chance to learn new skills and make new things all from your own home.

### Who is this for?

Anyone with a passion for arts & crafts or who likes to make things.

### What will each session involve?

- Introduction to the sessions project
- Example from the teacher
- Techniques and step by step walk through
- Make your own
- Show the class

### What to bring?

All activities are offered subject to availability and may change based on class size.

## Guest Speaker Ted Talk

### What is it?

Each talk will feature a different speaker discussing an interesting topic in which they are an expert. Topics such as social influencing, sustainability, the environment, sport.

### Who is this for?

Anyone with an interest in the speakers topic or who wants to learn more.

### What will each session involve?

- An introduction from the speaker
- Details of their topic and why they are so passionate about their subject
- Q&A sessions for you to ask a question

### What to bring?

Just yourself and bring a pen and paper to take notes.

## Zumba

### What is it?

Zumba Fitness is a dance class as well as a type of exercise to music and is really fun. You will learn new dance moves to songs while getting a great work out. So grab your speakers or headphones and turn the volume up!

### Who is this for?

Anyone who enjoys dancing and exercise.

### What will each session involve?

- Warm up
- Introduction to the dance for this session
- Examples of the moves and a chance to practice while making funny faces!
- Give the dance a go altogether!

### What to bring?

Please wear comfy clothes/clothes to exercise, bring water and a towel.

## Online Escape Room

### What is it?

Each session will involve a different puzzle or problem to solve. Students will be split into groups to try and work out how they can solve the puzzle and escape the room in time!

### Who is this for?

Anyone who enjoys puzzles or problem solving or just wants to have fun working together with other students around the world.

### What will each session involve?

- Games master will explain the theme and introduce the Escape room rules
- Students will be split into teams
- The puzzles will be set and the timer will be started
- Students will compete against other teams and the timer to complete the challenge

### What to bring?

Bring a pen and paper to help you work through the puzzles and a open mind to solve them!

All activities are offered subject to availability and may change based on class size.

## Debating Club

### What is it?

Each Debating session will involve a different topic and students will be split into groups to prepare their argument. Groups will then debate the topics to win over the teacher and win the debate.

### Who is this for?

Debating club is for anyone who wants to learn how to debate, discuss different interesting topics or even just practice their English.

### What will each session involve?

- Introduction to that session's topic
- Groups will be allocated and arguments assigned
- Students will work in groups to prepare their arguments and investigate the topics
- Groups will debate their topic at the end of the class

### What to bring?

Bring a pen and paper to make notes and get ready to research your topic and work with your team.

## Yoga

### What is it?

Students will be shown a variety of yoga poses aimed at increasing flexibility, balance and strength as well as looking at mindfulness and kindness.

### Who is this for?

Anyone from complete beginners to those who do yoga every day.

### What will each session involve?

- Warm up
- Introduction to the poses for today's lessons
- Walk through how to do the poses and practice
- Breathing techniques
- Warm down

### What to bring?

Comfortable clothing, water and towel. If you have a yoga mat bring it but if not a pillow or something soft to lie on.

## Basic business concept

### What is it?

Each session will address a different business topic such as basic marketing, presentation skills, negotiating, public speaking and critical thinking.

### Who is this for?

Anyone who is preparing for further education, wants to boost their confidence and improve their speaking skills.

### What will each session involve?

- Introduction to the topic
- Outline of concepts and techniques
- Examples to practice
- Feedback

### What to bring?

Pen, paper and a keen mind!

All activities are offered subject to availability and may change based on class size.

## Discover Kids

(aged 8-11 years old)

### Story time

#### What is it?

#### Who is this for?

For kids with eager minds who love stories and have vivid imaginations.

#### What will each session involve?

Our teacher will read a story to the group with interactive aspects to get everyone involved.

#### What to bring?

Just yourself!

### Sing Along

#### What is it?

Each session will involve different songs in English for kids to listen to and sing along as a group while having fun.

#### Who is this for?

Anyone who likes singing and taking part.

#### What will each session involve?

Group sing along to different songs in English.

#### What to bring?

Just yourself.

## Meet the animals

#### What is it?

The Meet the Animals sessions will offer students the chance to meet a number of different animals live in the class! You might meet reptiles one day, monkeys or meerkats the next! Learn about what these groups are, where they live, what they eat and how to take care of them.

#### Who is this for?

Anyone who has an interest in animals of all kinds and wants to see them live on their device.

#### What will each session involve?

- Introduction to the animals in that session
- Meet them close and personal on screen
- Learn about where they live, what they eat and how to take care of them
- A Q&A session for you to ask any questions at the end

#### What to bring?

Just your enthusiasm and a pen and paper to take notes.

## Fitness fun

#### What is it?

Fun exercise sessions that help kids stay active at home.

#### Who is this for?

For anyone who wants to stay fit and healthy at home.

#### What will each session involve?

A mix of fun stretches and exercises designed to engage younger kids and keep them active.

#### What to bring?

Comfortable shoes and clothing, water and a towel.

All activities are offered subject to availability and may change based on class size.

## Arts & Crafts

### What does this involve?

Each session will involve making something new and different using a variety of Arts & Crafts skills..

### Who is this for?

For kids who love arts and crafts, getting involved and making something.

### What will each session involve?

- Introduction to the days project
- Examples of what we are making
- Teaching section on how to make it
- Kids make their own and show the class

### What to bring?

A list of what to bring will be sent out at the beginning of the week but will be normal household items, pens, pencils and paper.

## Dance Class

### What does this involve?

Kids will learn a new dance each session while having fun, practicing some English and making new friends.

### Who is this for?

For people who love to dance, try new things and have fun.

### What will each session involve?

- Plan for todays session
- The dance routine such as dancing monkeys
- Everyone dances together

### What to bring?

Comfortable clothes

## Drawing Class

### What does this involve?

Each drawing class will be different and will teach kids to draw a specific animal or character for example a dog, sea turtles or a fish.

### Who is this for?

Kids who love to draw, want to practice and learn to draw new things.

### What will each session involve?

- Introduction to what we will be drawing
- The teacher will show an example and how to draw it
- Kids will draw their own
- Show the class your work

### What to bring?

Pens, pencils and paper!

## Scavenger Hunt

### What does this involve?

A scavenger hunt from your own home. Students will be given clues to what they need to find and bring to their teacher. The fastest person wins!

### Who is this for?

For everyone!

### What will each session involve?

It's like a normal scavenger hunt but instead of going outside it's all inside your own home. Use clues to workout what you need to find and try to beat your friends.

### What to bring?

Just come along with energy and keen to take part.

All activities are offered subject to availability and may change based on class size.
