HANDBOOK

Welcome to International House London

Each year, International House London welcomes more than 4,000 clients to study English. It has so much to offer and has long been regarded as one of the best places to learn the language.

Our location

We are based in beautiful Covent Garden in central London, an area famous for the arts, museums and markets.

The School is close to three major underground (Tube) lines (the Piccadilly, the Central and the Northern lines); it is a few minutes' walk from Covent Garden, Holborn or Tottenham Court Road Tube stations. It is also close to a number of bus routes, making it easy to get around London and make the most of all the city has to offer.

Famous places on our doorstep

The School is within walking distance of the Royal Opera House (home to the Royal Ballet and the Royal Opera), the British Museum (voted one of the top ten museums in the world by National Geographic), Covent Garden market (and its antiques, craft and food stalls), West-End theatres (home to famous musicals and plays) and the River Thames.

This handbook tells you everything you need to know about being a student at IH London. If you have a question... just ask!

Our history

The School was opened in 1959 by John Haycraft CBE and his wife Brita, and was a founding school in the International House network. John and Brita promoted intercultural understanding through language learning and teacher training.

International House was the birthplace of the first qualification for teaching English as a foreign language. This eventually became the CELTA qualification that is assessed by Cambridge English (part of the University of Cambridge) and is recognised throughout the world.

The International House World Organisation now has 160 schools in 50 countries and prides itself on excellence in language teaching and training.

Our Educational Philosophy

At IH London, we focus on giving you the confidence and skills to achieve your goals. Communication and creativity is at the heart of everything we do. We believe in a balance of creative and systematic approaches in the classroom, and we tailor the course to your needs. We educate beyond language to promote understanding across cultures, borders, businesses and friendships.

Prevent

Please be aware that as a student from another country you could be targeted for radicalisation. If you or other students are approached by people with unwanted extreme opinions, trying to get you involved, please let us know. If you would like any further help or advice, please ask at Reception.

If you have any issues you would like to talk to someone about during your time at IH London please contact our Safeguarding People or our Welfare Officer.

Attendance

We really want you to attend all of your lessons, 100% of the time. You must attend at least 80% of lessons. This includes all classes: morning, afternoon and evening. Lateness before and after breaks is also counted as absence. Please make sure you arrive at your classes on time!

If you do not attend 80% of lessons:

- you will be sent a warning letter
- no certificate will be given at the end of the course
- you may be removed from your classes and need to meet the Director of English.

If you have very low attendance, your course may be cancelled without a refund.

General absence

If you do not come to school because of sickness, visa renewal, religious reasons or family commitments, this is within the 20% allowance. If you are often late without giving a good reason, it will affect your attendance. Your teacher may ask to speak to you or the Director of English will arrange a meeting to discuss why you are not arriving to class on time. You do not need to contact anyone about general absence.

Authorised absence

If your attendance is below 80%, you must complete an Absence Request Form. You may be asked to provide documents to explain why you were not at school.

Click on this link to submit your Absence Request Form
<https://forms.office.com/r/WR46p0YZH9>

Punctuality

It is very important for your learning and progress that you arrive on time to your classes. We believe that arriving on time also shows respect for your teacher and your classmates and creates a happy learning environment. Teachers document lateness after ten minutes and this is recorded in your overall attendance.

UK Visas and Immigration (UKVI) regulations

If you have a Student Visa and you do not meet your visa requirements we are required by law to report this to the UKVI.

Please make sure you come to class every day, on time.

Equality and Diversity

International House London staff are committed to providing a safe and caring environment, free from discrimination for everyone in our school. The equal opportunities policy of International House, London applies to everyone working and studying in the school.

Step 1: A verbal warning

Step 2: A written warning

Step 3: A letter and asked to leave the school

In extreme circumstances, the person will be asked to leave with immediate effect. In any of the above circumstances, no refund will be given.

Accommodation

Our full-time accommodation service in the school gives you one point of contact, whether you stay with a homestay provider, in a student residence, or a hotel. You can extend your accommodation after your course has started by speaking to the accommodation team.

There are three types of accommodation which International House London can offer: student residences, homestays, hotels and apartments. All are non-smoking and include Wi-Fi.

Student residences

Residences are self-catering accommodation; either 'studios' which have a small bathroom and a kitchen area in the room or 'en-suites' which have private bathroom and shared kitchen facilities. All residences have communal areas such as a gym, study area, cinema room.

Our residences, located in Kings Cross and Highbury, are modern, well equipped and close to public transport. Staying in one of our student residences gives you the chance to live in the heart of London with all the bars, restaurants, theatres and visitor attractions on your doorstep.

Halls of residence are only available to students of 18 years or over.

Homestay

Homestay is where a homeowner provides a room in the home they live in to students for the duration of the student's course.

A homestay gives the opportunity to live with local people and experience life in a London home. For our students, homestay is a cost-effective way to stay in London. Some homestay hosts have time to chat and spend time with students, which can be a great way to gain practical experience of the English language. Other homestay hosts have busy working lives, so may have less contact time. Whatever the situation in your homestay accommodation, you will have time to explore London with the friends you make at IH London or relax in your room.

Hotels and Apartments

IH can arrange a hotel or apartment near the school such as the Citadines Apartments less than 10 mins walk away. The 4-star deluxe Kingsway Hall Hotel is minutes away from International House London, Theatreland, the Royal Opera House, the British Museum and the City, and is perfect for comfort and convenience.

Alternatively there is the 3-star Strand Palace Hotel, built in 1909 and featured in several movies and television dramas. This is also very close to International House London, as well as Trafalgar Square, Buckingham Palace and Leicester Square. Wifi is provided in all accommodation as standard.

Private Accommodation

If you would like to rent private accommodation and need advice, we are here to help. Ask for the accommodation officer at reception or email accommodation@ihlondon.com

If you have a query, a problem, or would like to change your accommodation, visit the Accommodation Office, which is on the Ground Floor.

09.00 - 17.00 Monday to Friday

Social Programme

The Social Programme at IH London offers you the opportunity to experience London and the UK's cultural highlights and top attractions. It also enables you to practise speaking English in real-life situations – not only great fun, but an excellent way to improve your understanding of the language, speed up your progress and make new friends.

The Social Programme also arranges day trips to other popular cities in England, such as Oxford, Bath and Windsor, as well as a Eurostar trip to Paris.

View our Social Programme

https://padlet.com/International_House_London/socprog

The Social Programme Desk is on the ground floor at reception and is open from 12:15 to 14:00, Monday to Friday. Speak to James at the Social Programme Desk to find out what's happening this week and get involved!

Travelling around London

The easiest and cheapest way to travel around London is with an Oyster card.

You can use your Oyster card for journeys on the London Underground (also called 'the Tube'), on buses, on overground trains, on trams, and even on the Thames Clippers (boats) and Emirates Airline (cable car).

You cannot travel outside of London with an Oyster card (for example, you cannot travel to Oxford).

The Tube and buses are the most common ways to travel around London.

You can pay in cash for the Tube, but it is a lot more expensive (usually double). You can pay for buses using your contactless credit or debit card.

London Underground ('The Tube')

Some tube lines are now open during the night but most tube lines are closed between 1am and 5am. Please check before you travel. You can check where you start and finish your trip, here:

www.tfl.gov.uk

You have to 'touch in' and 'touch out' with your Oyster card or contactless credit or debit card at the gates in the station, when you start and finish your trip. When using the escalators in Tube stations, people stand on the right, and walk up or down on the left.

The Tube network is divided into zones: central London is zone 1, and zones further from the centre have a higher number. Journeys are more expensive if you travel between several zones.

Buses

Travelling by bus in London can be a lot cheaper than the Tube, and you can see more of the city out of the window! Any single bus journey in London always costs the same price. You only have to 'touch in' with your Oyster card when you get on the bus. You do not have to 'touch out'.

All bus routes have a number which will be on the front of the bus (for example 19, 242 or 8). You can check nearby bus routes at a bus stop. If you are not sure, you can ask the driver.

Some bus routes are available 24 hours. The number of these routes begins with an N, for 'night' (for example N24, N155 or N2). You can ask for a bus guide at Reception.

Taxis

London's famous black cabs (taxis) are a more convenient, but more expensive option for getting around. You can get a taxi in the street (if the yellow TAXI sign at the front is illuminated, it is available for hire), but it is always safer to book a taxi in advance. Be careful and do not use unlicensed taxis. Here are a few taxi companies you can use:

Computer Cab 020 7432 1432

Dial-A-Cab 020 7253 5000

Addison Lee 020 7407 9000

Taxis can be stopped anywhere. Mini cabs must be booked in advance.

If you are studying at
IH London full-time on
a course of 14 weeks or
more, you can apply for a student
Oyster card, with 30% discount
on all Oyster travel.

18+ Student Oyster Photocard Scheme

- ✓ your course is at least 14 weeks in length

If you wish to apply for the 18+ Student Oyster Photocard, you need to go online at <https://photocard.tfl.gov.uk/tfl/showlogin.do> and follow the instructions.

- ✓ your International House student number and course dates
- ✓ Your address in London
- ✓ to upload a digital colour photo
- ✓ to pay the £20 fee by credit/debit card.

Please make sure that you give your correct course dates, otherwise your application will be rejected. (The dates are checked by IH staff).

Your 18+ Student Oyster Photocard will be posted to your London address, so please make sure that you give the correct address.

If you do not receive your Photocard within two weeks, call the helpline: 0343 222 1234. Please read the terms and conditions online.

Please note: You must pay a non-refundable £20 administration fee for every application, even if replacing a lost, stolen or damaged Photocard.

If your Oyster Photocard is lost, stolen or damaged, visit <https://photocard.tfl.gov.uk/> where you can report it missing and order a replacement.

If you leave IH before the end of your course, you must tell Transport for London immediately. They will then stop the student discount on your 18+ Student Oyster Photocard. If you move to another school, you will have to apply for a new 18+ Student Oyster Photocard.

Keeping you safe and happy

Please help us to keep all students safe from people with bad intentions. People with bad intentions may ask you to do things that you do not want or feel comfortable doing. Talk to us if you are worried about yourself or another student. (See also page 7)

Health & Safety

First Aid

Please go to our main Reception or tell your teacher if you need first aid (or a plaster/bandage/dressing). The school/your teacher are not allowed to give you any medicine.

Fire – evacuation of the building if the fire alarm sounds

The fire alarm is one continuous alarm.

Fire call points are located near the fire exits and close to the fire extinguishers and can be activated by pushing the button. If the fire alarm sounds, all staff and students should leave the building via the nearest exit following the exit signs. International House has five exits; clearly labelled A, B, C, D and E.

Our Assembly Point is located outside the Dragon Hall Community Centre at the end of Stukeley Street – turn right when exiting IH then cross Smart's Place (see map).

You must not stop before you have crossed Smart's Place. Do not block any roads!

We test our fire alarm every Thursday at 9:30 AM.

Hazards

A hazard means a chance of being injured or harmed. The stairs in the school can be very busy at times. Please do not run up or down the stairs. Please do not text when using the stairs. The floors can become very slippery; if it's raining outside, so do not run inside the school.

Accidents

For minor accidents inside the school, please go to Reception or tell your teacher. If you or a friend have a more serious accident, again contact Reception who will call 999 for an ambulance.

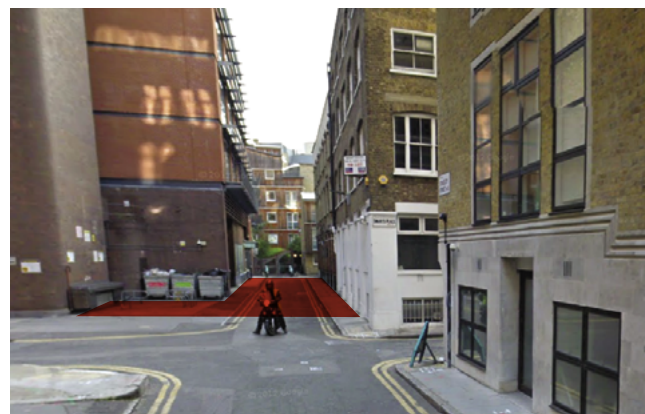

999

This is the number to call for ambulance, fire brigade or police if you or a friend have an accident outside of the school.
