Qualified Teachers

Short Courses 2024

International House London

As a teacher you know there is always something new to learn. We run short training courses in London and online, so you can focus on your own learning, improve your classes and transform your career.

Online and face-to-face courses available

Recharge and enhance your own learning

IH London has a range of short courses for qualified teachers aimed at introducing new themes and methodology, or developing practical techniques and approaches. Participants on these courses come from all over the world and are at various stages of their career. All participants on our short courses will receive an IH London certificate of study.
