

# LATENESS

**Please arrive on time to your class.**

If you're late, it is difficult to catch up,  
it disrupts your classmates  
and it affects your attendance %.

**Starting 2nd September:**

**Adult students (18 years or over)**

**arriving later than 15 minutes**

**for a any English class must wait until**

**after the break to join their class.**

Late students can wait in the Café or Library.

Under 18s should join their class immediately.

Thank you.
