Short Courses 2025

As a teacher you know there is always something new to learn. We run short training courses in London and online, so you can focus on your own learning, improve your classes and transform your career.

Online and
face-to-face
courses
available

Recharge and enhance your own learning

Our short courses run over UK summer and winter seasons and we offer both online and face-to-face programmes.

Participants on these courses come from all over the world and are at various stages of their career. All participants on our short courses will receive an IH London certificate of study.
